Reliable, functional lighting

Philips TL/TLDs produce light efficiently, resulting in fewer replacements. They provide functional lighting that gives sufficient light levels for common areas.

Gives you bright light
- Standard colors with moderate color rendering
- High initial light output

Highlights

Standard colors
High initial light output

High Light output provides better light quality with more brightness and

allows more vibrance in home application.

Specifications

Characteristics
• Dimmable: No
• Socket: GU10

Durability
• Nominal lifetime: 13,000 hour(s)

Light characteristics
• Color rendering index (CRI): 60
• Light Color Category: Cool White

Power consumption
• Wattage: 18 W

Technical specifications
• Light output: 1,200 lumen
• Shape: Linear fluorescent tube
