LIGHTOLIER**

Downlighting

Mini gimbal
Mini downlight

3" round

Accent with accuracy, install with ease

Philips Lightolier LED Mini gimbal and Mini downlight let you emphasize without the size. Finally, there are easy-install, three-inch fixtures with the light quality you would expect from much larger typical downlights. The small detachable junction box eliminates the need for a traditional frame or bulky remodeler kit, making installation quick and easy.

Mini gimbal and Mini downlight, small size, big output, great energy-savings.

Philips Lightolier LED Mini downlight & Mini gimbal
