

# Product Description

## Circular ESaver

Circular-shaped energy-saving lamp

### Benefits

- Excellent light dispersion characteristics with high luminous flux
- 80 % energy saving compared to standard incandescent lamp
- Reliability over life

### Features

- Flat, low-weight long-life energy saving alternative to incandescent lamps
- Available in two colour temperatures
- High intensity value of light
- Almost constant light output (>80%) over recommended temperature range

### Application

- Designed for incandescent lamp replacement for general lighting in consumer and (semi-)professional applications – round, slim shape well suited to all shallow lampshades and pendant lamp fittings
- Not suitable for dimming and electronic devices

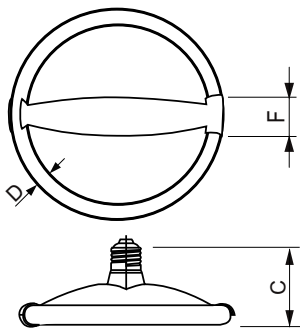

# Circular ESaver

## Versions

24W/25W/28W, E26/E27
