

Circular lamps which is truly efficient, have special shape for special

Circular ESaver

Circular-shaped energy-saving lamp, special shape for special applications. With high lumen output and low in height, they fit in shallow places to give an extra boost of light.

Výhody

- Excellent light dispersion characteristics with high luminous flux
- Save your money with long life-time and high energy efficiency compare to incandescent lamp

Vlastnosti

- Flat, low-weight long-life energy saving alternative to incandescent lamps
- Available in two color temperatures
- Give the extra boost of light with high efficacy

Aplikácie

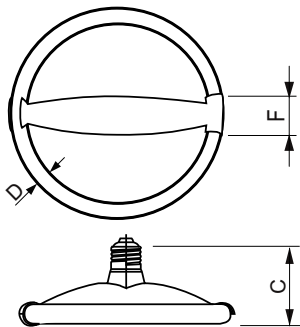

- Designed for incandescent lamp replacement for general lighting in consumer and (semi-)professional applications – round, slim shape well suited to all shallow lampshades and pendant lamp fittings
- Not suitable for dimming and electronic devices

Circular ESaver
