

CGP431 CitySoul

CitySoul CGP431 C

CitySoul's classic design merges well with today's urban environment. Its simple, flat, ellipsoidal form creates an elegant light-point improving the attractiveness of a city. CitySoul is able to create positive images of the city, stimulating a sense of communal identity and pride.

Features

- Timeless and stylish design
- Integrated with the latest innovative CosmoPolis system for lower energy consumption, outstanding lighting performance and bright, natural white light
- Well-concealed screw design on the spigot for post-top installation, effortlessly synchronizes luminaire with the pole and with its environment as well as facilitates fast installation
- Adjustable lamp holder position and a choice of flat glass and bowl glass offer maximum flexibility for different road applications
- High quality gasket and high strength construction deliver an IP66 rating for the whole luminaire
- Long lasting, high-pressure die cast housing
- Cost and maintenance time saving with the tool-free 'click and release' gear tray and housing
- Re-lamping from below provides easy access to the lamp and prevent water from dropping into the luminaire in wet conditions

Application

- Urban
- Residential
- Pedestrian
- Shopping areas
- Squares
- Local streets
- Minor collector roads
- Parks
