

Energy Saver Compact Fluorescents - Going green never looked so good

Energy Saver Twisters

Looking for an energy saver that does not look like one? The Philips EnergySaver family provides energy efficient lighting options that don't just provide similar light as your standard incandescent light bulb, they also have the same classic shapes. Try the Philips EnergySavers and see how they truly provide advanced lighting designed around your needs.

Benefits

- Philips Energy Saver Twister provide energy savings and reduced operating costs without sacrificing quality of light compared to standard incandescent equivalents.
- Direct replacement for incandescent bulbs, provides a warm and inviting soft white light.
- Terrific energy savings—May save up to \$129 over the life of the lamp*, a real impact to your bottom line!
- * Based on replacing a 150W incandescent with a 42W Energy Saver. Wattage saved = $150 - 42 = 108\text{W}$. $108\text{W} \times \text{replacement lamp rated average life (12,000 hours)} \div 1000 \times \text{kWh rate } (\$0.10) = \$129 \text{ saved}$.

Features

- Similar light output as standard incandescent lamps
- Compact size fits most small fixtures
- Instant-on
- Long Life—Lasts at least 7 years*
- * Based on approximately 3 hours average usage per day/7 days per week.

Energy Saver Twisters

Application

- Ideal for hospitality applications and general household use

Versions

32W, E26
