

Upgrade to better white light

MasterColor CDM ED28 Elite

Philips MasterColor Ceramic Metal Halide Pulse Start ED28 Lamps are a better value than quartz metal halide, with longer life, higher lumen maintenance, and energy efficiency.

Benefits

- Easy upgrade to better white light just by changing your bulb
- Improved lifetime maintenance increases time between re-lamping
- Improved lumen maintenance increases time between re-lamping
- Reduced spend on energy

Features

- Better quality white light in a familiar ED28 bulb shape with a mogul base
- Better rated average life of up to 20,000 hours
- 4000K color temperature
- Better lumen maintenance than quartz metal halide
- Better energy efficiency

Application

- Ideal for downtown areas, colleges and universities where visibility and quality of light are important.
