

# **Product Description**

## ML

Mixed Light lamps

#### **Benefits**

- · Direct retrofit for incandescent lamps
- · Higher efficacy and lifetime than incandescent

#### **Features**

- · High-pressure mercury tube in series with a tungsten filament
- · Runs on mains voltage without additional gear
- Combines a continuous spectrum from the incandescent source and a line spectrum from the high-pressure mercury source

### **Application**

• Public outdoor lighting, car parks, workshops, garages and shops

## **Warnings and Safety**

• A lamp breaking is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
