

Mini-Candelabra

Mini-Candelabra

Bright, white light with higher performance for accent lightingHalogen Mini Candelabra T4 Capsule lamps provide bright,white light for decorative and accent lighting and general illumination. Offered in T4 bulb size with mini candelabra base configurations. These lamps offer a rated average life ranging from 1000 to 2000 hours depending upon the product.* Rated average life is the length of operation (in hours) at which point an average of 50% of the lamps will still be operational and 50% will not.

Benefits

- Compact size fits most decorative, accent and specialty fixtures.
- Available in a variety of wattages to meet most application needs.

Features

- Bright, white light.
- Must always be used in an enclosed fixture.
- 120 volt types require a fixture specifically designed for 120 volt operation.Never interchange 12 and 120 volt types.
- Available in 50, 75, 100, 150, 250 and 500 Watts.

Application

- Ideal for indoor decorative and accent lighting such as wall sconces, undercabinet lighting, and jewelry display cabinets. Not for use in low voltage fixtures.
