

Product Description

Party Lustre P45

Coloured incandescent lamp with P45 shape and superior ESC coating

Benefits

- Environment-friendly due to ESC coating and cadmium-free lamp
- Energy savings thanks to much higher colour brilliance and lumen output than conventional coloured lamps with higher wattages
- Weather-resistant bulbs are perfectly suitable for outdoor use

Features

- Choice of attractive colours
- Superior quality thanks to the Electro Static Coated (ESC) internal coating (instead of the conventional wet-flushed inside paint process)

Application

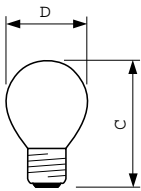

- All kinds of indoor and outdoor decorative lighting and special effects
- Outdoor: streets, facades, shopping centres, amusement parks, garden and BBQ parties, carnivals, restaurants, bars, beaches, Christmas and other decorations
- Indoor: parties, special celebrations and decorative effects
- Multi-colour versions and printing of special graphics available on project basis
