

# Accessories for Accent Compact fixtures

## Accent Compact Acc

Accessories for Accent Compact fixtures. iColor Accent Compact is a direct-view linear LED fixture ideally suited for creating long ribbons of colour and colour-changing effects, and to display large-scale video, graphics and intricately designed effects in a host of architectural, retail and entertainment settings. iColor Accent Compact accepts Ethernet input from the PDS-400 48V EO to support long control runs not subject to DMX data and addressing limitations. Two lens choices are available for iColor Accent Compact: a clear lens which delivers the brightest output and a translucent lens
