

TBS318

TBS318

The TBS318 recessed luminaire offers the ideal combination of stylish design and optimum performance for both task and general lighting. It is available for TLD fluorescent lamps and a wide range of optics and plates. This versatile luminaire fits into standard, modular visible profile ceilings as well as concealed profile ceilings with the right choice of accessories. TBS318's housing is designed with air-slots offering you enhanced user comfort via better heat management. All of which makes the luminaire suitable for many interior lighting applications, from open plan offices to shops to public spaces.

Features

- Suitable for exposed T-Bar ceilings
- Wide range of attachments and mirrors to prevent discomfort glare while achieving high light output
- TBS318's optics are made with high quality pre-anodized aluminum to ensure durability and reliability
- TBS318 offer better heat management thanks to its strengthened housing that comes specially designed with air-slots
