

The next generation of white light

e-Vision Medium Wattage 210–315W

Pairing Philips Advance e-Vision ballasts with Philips MasterColor Elite Medium Wattage lamps provides a powerful combination of sparkling, white light and energy efficiency superior to what other lighting technologies can offer.

Benefits

- Significant upgrade opportunity over traditional HID systems
- Viable alternative to fluorescent options
- Excellent color quality and consistent light output from beginning to end

Features

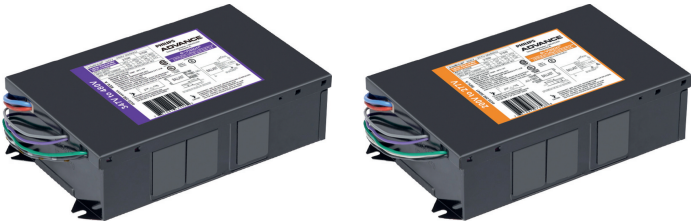

- IntelliVolt 200–277V input with 92% efficiency
- Dimming to 50% of lamp power
- Metallic Enclosure for optimal thermal dissipation

Application

- Indoor High-bay, flood and recessed fixtures in retail, institutional and industrial applications

e-Vision Medium Wattage 210-315W
