

Xtend LED

Xtend LED

Xtend LED is the new generation of linear design troffer with good illuminating uniformity and high efficiency

Benefits

- 60% more energy efficient compared to conventional TL solution

Features

- System efficiency ≥ 95 lm/W
- CRI ≥ 80 , SDCM ≤ 4
- High reliability, 50k hours (L70@25deg)

Application

- Open plan office
- Cell office
- Hospital
- Meeting/Training room

Versions

RC115B LED35S W60L120
