Xtend LED

Xtend LED

Xtend LED is the new generation of linear design troffer with good illuminating uniformity and high efficiency

Benefits

· 60% more energy efficient compared toconventional TL solution

Features

· System efficiency >95lm/W
· CRI >=80, SDCM <=4
· High reliability, 50k hours (L70@25deg)

Application

· Open plan office
· Cell office
· Hospital
· Meeting/Training room

Versions

RC115B LED35S W60L120
