

# Xtend LED

## Xtend LED

Xtend LED is the new generation of linear design troffer with good illuminating uniformity and high efficiency

### Benefits

- 60% more energy efficient compared to conventional TL solution

### Features

- System efficiency  $\geq 95$ lm/W
- CRI  $\geq 80$ , SDCM  $\leq 4$
- High reliability, 50k hours (L70@25deg)

### Application

- Open plan office
- Cell office
- Hospital
- Meeting/Training room

### Versions

RC115B LED35S W60L120
