

The affordable LED candle and lustre solution

CorePro LED candles and lustres

The CorePro LED candles and lustres are designed for retrofit replacement of incandescent lamps, and are particularly attractive for chandeliers. They are compatible with fixtures with an E14 holder for candles and E14 or E27 holders for lustres, and are available in either warm white, white or cool daylight colour temperatures. LED lamps deliver huge energy savings and minimise maintenance cost. The CorePro LED candles and lustres are perfect for your basic lighting needs. They provide the beautiful light and dependable performance that you expect from LED, at an affordable price.

Benefits

- Up to 80% energy-saving compared with halogen lamps
- Low maintenance cost
- Broad compatibility with transformers

Features

- Easy retrofit
- Instant full light on: Philips LED light bulbs provide their full level of brightness immediately upon switching on
- Available in clear and frosted versions
- Lifetime of 15,000 hours
- UV- and IR-free light

Application

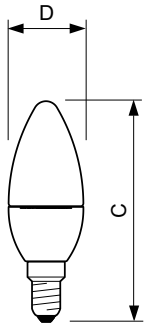

- Hotels, restaurants, bars, cafés, museums, shops
- Lobbies, reception areas, exhibitions
