

# Smart Track RCS170 – a reliable way to create outstanding lighting

## Smart Track

Designed for operation in conjunction with the Smart Spot projector range, Smart Track is a one-phase track with enhanced earthing to ensure safety. This reliable and flexible solution offers a choice of colors, lengths and different-shaped couplers in order to meet challenging applications.

### Benefits

- Extra safe: no worries about safety
- Durable: long life and high reliability
- Flexible: users can mix and match components as required

### Features

- Safety protection
- Lifetime and reliability rigorously tested
- Three colors, two lengths, three connecting couplers

### Application

- Shopping areas
- Art galleries
