

# Vaya Linear LP – An ultra compact exterior-rated line-voltage linear LED grazing luminaire for dynamic colour-changing and crisp white lighting effects

## Vaya Linear LP

Vaya Linear LP is a super slim outdoor linear luminaire for low-level grazing applications, with wide 120° beam or elliptical 28° x 84° optics. Its slim form factor is ideal for space-restricted applications with limited setback or allowable install height. The robust Vaya Linear LP offers a variety of colour and white CCT options with either static on/off- or dynamic control options via standard DMX-512. The discreet design with integrated power supply and waterproof connectors makes wiring simple, fast and reliable.

### Benefits

- Suitable for space-restricted and low-profile applications (indoor and outdoor)
- Fast and easy installation
- Allows low-level grazing or exterior cove lighting applications
