

Instant-on sensor activated security light

SmartBright LED Security Light

The SmartBright LED Security light is a PIR motion sensor activated twin head security light. With a wide detection range, brighter light output and instant-on LED technology, you can be assured your property is well lit for visibility at night.

Benefits

- Automatic security light
- Energy efficient LED technology for longer life
- PIR motion sensor activation for safety and energy saving

Features

- Wide detection range and brighter light output
- PIR motion sensor activated with manual overwrite option for flexibility
- Easy to install with adjustable twin head

Application

- Residential/Amenity/Security lighting

SmartBright LED Security Light

Versions

BWS220 LED20 PSU

Application conditions

Maximum dim level	Not applicable
-------------------	----------------

Approval and application

Mech. impact protection code	IK05
------------------------------	------

Controls and dimming

Dimmable	No
----------	----

General information

Luminaire light beam spread	120°
CE mark	CE mark
Optical cover/lens type	-
Driver included	Yes
Flammability mark	For mounting on normally flammable surfaces
Light source replaceable	No
Number of gear units	1 unit

Initial performance (IEC compliant)

Init. Color Rendering Index	>80
Initial luminous flux	2200 lm

Mechanical and housing

Color	Black
-------	-------

General information

Order Code	Full Product Name	Light source color
911401712682	BWS220 LED20/NW PSU 100-240V	840 neutral white
911401712692	BWS220 LED20/CW PSU 100-240V	865 cool daylight

Initial performance (IEC compliant)

Order Code	Full Product Name	Init. Corr. Color Temperature
911401712682	BWS220 LED20/NW PSU 100-240V	4000 K

Order Code	Full Product Name	Init. Corr. Color Temperature
911401712692	BWS220 LED20/CW PSU 100-240V	6500 K
