

Functional simplicity

Batio brackets

The Batio bracket adds a simple yet elaborated touch to an environment thanks to its double drawstring design. The diversity of its mounting setups allows cohesion and adjustment to a landscape, whether it is a suburban, residential area or a busier district.

Benefits

- Compatible with our Accante range of conical poles
- Compatible with all Philips standard and advanced public lighting systems

Features

- Available in single arm, double arm, pole-mounting and wall-mounting versions
- Length range: 600 or 1000mm
- Luminaire fixing: side-entry

Application

- Roads and streets
- Living areas, suburban zones
- Commercial districts
- City centers
