

Stylish with clean lines

Arioso Surface

The Day-Brite / CFI Arioso Surface incorporates all the features and benefits of the standard Arioso into a surface luminaire. Whether surface mounting is due to construction constraints or a desire to create style and intimacy, this luminaire offers the ideal solution for ceiling mounting. Arioso Surface continues the look and performance of the Arioso family in a slim low profile beautifully contoured model.

Benefits

- Architectural recessed direct/indirect lighting for glare free illumination
- Suitable for row mounting
- For application where plenum depth is limited
- Style matched to Arioso semi-recessed

Features

- Soft white baked enamel finish
- UL listed for damp locations
- Swing down lamp shield for easy relamping

Application

- Office
- Banks
- Hospitality
- Fashion
