

Adding a touch of originality to any project

Goose Neck Brackets

The SN mounting arm features an extruded-aluminum arm, welded to a castaluminum clamp-on pole adaptor and luminaire adaptor. Comes with a standard decorative pole cap. The mounting arm clamp is mechanically assembled on a 4" (102 mm), 5" (127 mm) or 5 9/16" (141 mm) pole using stainless steel hardware. The location is pre-drilled on Lumec poles.

Benefits

- Decorative, yet durable
- Clamp-on

Features

- Available in a variety of mounting configurations
- EPA of 1.51
- Decorative pole cap included

Application

- Bridges, Monuments, Facades
- Road and Street
