

# Callisto - casting a timeless light on any project

## Callisto Bollard (CALB1)

Architecturally adaptable, the Bollards and Light Columns are set apart by their ingenious design, quality materials, and robust construction. Bollards and Light Columns add a measure of refinement and originality to any design. They complete a setting and tie-in architectural elements to create a harmonious effect that sets projects apart. They are perfectly suited to embellish and enhance the comfort of parks, walkways, public spaces and building entryways.
