

Candela – unprecedented design flexibility

Candela Bollard CANDB

Architecturally adaptable, the Lumec Bollards and Light Columns are set apart by their ingenious design, quality materials, and robust construction. Bollards and Light Columns add a measure of refinement and originality to any design. They complete a setting and tie-in architectural elements to create a harmonious effect that sets projects apart. They are perfectly suited to embellish and enhance the comfort of parks, walkways, public spaces and building entryways.
