

Durable and dust-proof

CD Series Dust Proof Remote Luminaire

Chloride's CD Series Combustible Dust Emergency Lighting Fixtures are UL Listed for use in Class II, Division I & II, Groups E, F and G, and Class III areas. The CD Series is designed for remote and unit equipment mounting applications where suspended metal carbon and grain dust create an explosive or ignitable atmosphere.

Benefits

- Designed to be resistant to corrosion
- Multiple mounting options means flexibility for different needs
- Built for extreme environments

Features

- Constructed of corrosion resistant, cast aluminum alloy with an epoxy polyester finish
- Available in ceiling mount, emergency unit, single wall remote and double wall remote

Application

- Exit and Emergency
- Cleanrooms
- Food Processing
