

# Stylish and compact

## Compac CFX6 Series Emergency Unit

The Chloride CFX6 Series is a thermoplastic emergency unit that features a snap-together housing and fixed lens design. This emergency unit is has been updated with a compact shallow profile and rounded corners for increased aesthetic appeal. Xtest self diagnostics/self test circuitry comes standard on this unit.

### Benefits

- Easy installation
- Low profile is less obtrusive than traditional, making it more aesthetically appealing
- Multiple mounting options means flexibility for different needs

### Features

- Compac Thermoplastic Unit with Xtest
- Units are available in a white finish
- Snap together quick mount design
- Unit can be wall or ceiling mounted

### Application

- Exit and Emergency
