

DAL1 - design-enhancing illumination

DAL1 Deck Light Series

The DAL1 low voltage deck light features a sleek, round design that compliments any outdoor landscape. Available with both stainless steel (DAL1-SS) and cast aluminum housing, this deck light is designed with durability in mind. Energy saving LED is available to ensure an even light distribution and long life. Five different finish options are available with the aluminum housing. The 12 volt fixture is pre-wired with 6-ft. pigtail for easy installation.
