# DWC2 – adding safe and guiding light to your space

## DWC2 Beacon Series

The DWC series is a low voltage beacon constructed of a single-piece compression molded fiberglass reinforced polyester composite, factory pressure tested to ensure water will not wick or leak through. It is available in two distinctive heights. Composite is pressure formed, molded-in color. Optical assembly includes a borosilicate glass.

### Benefits

- Superior durability
- UV and corrosion resistant
- Protected against moisture, dust and insects
- Suitable for a variety of applications

### Features

- Reinforced polyester composite
- Silicone gasketing
- Lamp included

### Application

- Walkway
