

Architectural and unobtrusive

Fusion Recessed Emergency Unit

Fusion is a fully recessed, architectural emergency lighting unit that remains unobtrusive even when illuminated. Fusion provides an alternative to standard mounted emergency lighting.

Benefits

- Aesthetically appealing and designed for architectural excellence
- Low profile is less obtrusive than traditional, making it more aesthetically appealing
- Multiple mounting options means flexibility for different needs

Features

- Backbox constructed of 2 gauge galvanized steel
- Flush cover and diffusers constructed of impact resistant polycarbonate
- Suitable for wall or ceiling mounting

Application

- Exit and Emergency
- Office
- Banks
- Hospitality
- Fashion
