

GUL Series - Aesthetic and efficient

GUL Series Louvered Uplight High Bay

An aesthetically pleasing, high efficiency fluorescent high-bay that provides exceptional light distribution for general areas with a design that allows for up-light. The unique louver is shaped to conform with the arch bottom of the GUL. The clean and crisp look of the GUL coupled with the up-light component make it an ideal choice for retail applications. Applications include supermarkets, retail, lobbies and museums.
