

Jump - aesthetic design elements and playful patterns with multiple distributions in seamless continuum of luminance.

Jump Suspended/Surface

Jump's contemporary aesthetic combines the latest lighting technologies with texture, pattern, and rhythm along an uninterrupted end to end continuum of luminance.

Benefits

- Highly flexible choice for functional environments
- Aesthetic design elements
- Maximum control, performance and energy savings

Features

- LED light source
- Suspended, surface, wall and cantilever mount versions
- Choice of flat die-cast or sculpted luminous endcaps
- Three sophisticated aesthetic styles: SplashPerf, PixelPerf and SolidSide
- Symmetric and asymmetric distribution options

Jump Suspended/Surface

Application

- Office
- Banks
- Hospitality
- Fashion
