

LED Docklight - rugged, reliable, and easy to use

LED Docklight

Rugged flexibility combined with incredible energy savings is probably the best way to describe this beautifully designed LED Dock Light. Incorporating a robust die cast exterior and utilizing naturally impact resistant LEDs, this dock light is designed to withstand the rigorous demands of shipping and receiving areas. With up to a 50,000 hour lamp life, maintenance and replacement costs are also drastically reduced.

Benefits

- Low energy usage
- Flexible installation and usage
- Sturdy construction

Features

- 15W input
- Die cast housing
- Easily adjustable aiming arm

Application

- Manufacturing
- Industrial
- Warehouse
