

# Elegantly Styled

## Lytejacks Track Heads

A complete LyteJack consists of a decorative Style Jack Shade, a Lytedrop (with a 20W or 35W halogen lamp), and a Power Jack. Please specify and order each separately based on the ordering guide below. See specification sheet for details on compatibility.

### Benefits

- Elegantly styled housings for miniature, reflectorized lamps
- Deliver precise directional light that enhances forms and surfaces in a flattering way
- A wide selection of accessories provides additional flexibility and complete control of the light emitted

### Features

- Accepts one accessory
- Every Focal Jack spot comes with a built-in 3" stem
- Cool grip insulation band, a high temperature silicone rubber which allows aiming adjustments while fixture is on.

### Application

- Fashion
- Food and Large Retailers
