

# MetroScape - modern styling meets advanced lighting technology

## MetroScape LED Post-Top (MPTR)

The Lumec MetroScape LED post-top luminaire features flexible, robust energy-saving solutions for heritage-styled urban architectural lighting. Crowned with an ornamental hood, the post-top model comes with a flat lens to highlight the thinness of the LEDs. The luminaire provides attractive lighting at night, adding appeal to the surroundings and promoting safe use of the environment.

### Benefits

- Optimized LED efficiency and life
- Reduces light pollution, dark-sky friendly
- Ensures durability and reliability in harsh environmental conditions
- Maximizes pole spacings
- Superior light quality and uniformity

### Features

- Optimal thermal design includes die cast aluminum heat sink and placement of electronic components in fitter
- Full cutoff with 0% uplight
- Complete luminaire is IP66 rated
- Optical systems composed of high performance refractor lenses
- Dedicated LED optics

### Application

- Bridges, Monuments, Facades
- Road and Street
