# **PHILIPS** Lighting

# RoadFocus - enhance your roadways

# RoadFocus LED Cobra Head - Small (RFS)

With the new Lumec RoadFocus LED Cobra Head Luminaires, you can now reliably upgrade to LED roadway lighting. saving energy, maintenance and operating costs, and contributing to environmental stewardship. At the same time, you'll benefit from performance surpassing that of high intensity discharge (HID) luminaires while retaining the familiar cobra head design. In addition to enhanced light output with excellent uniformity, RoadFocus LED Luminaires can help to drive cost and workflow efficiencies. Our luminaires are favorably priced, and also easily retrofit into existing infrastructures so you only purchase what you need, when you need it. With three sizes, a sleek, low-profile design, and many options, RoadFocus extends the same uniform aesthetic throughout all of your roadway applications. RoadFocus LED Luminaires are the only roadway lighting solution you will need.
