

Architectural and low profile

SC Series Recessed Die Cast LED Exit Sign

The Chloride SC Series LED Exit Sign offers low profile and recessed exits that meet the aesthetic standards of lighting designers.

Benefits

- Aesthetically appealing and designed for architectural excellence
- Low profile sign is less obtrusive than the traditional sign, making it more aesthetically appealing
- Excellent uniform letter illumination

Features

- Housing and stencil face castings are available with durable epoxy based powder coat paint or brushed aluminum finishes
- 12/277 VAC dual voltage input
- Self-powered models feature the Intelli-Charge Self-Diagnostic/Self-Test circuitry

Application

- Exit and Emergency
