SoleCity – creating innovative outdoor solutions that beautify and inspire

SoleCity Bollard LED ULB100

Multiple outdoor products, one signature style. We know our clients want uniformity in design, optimum style, superior performance but also energy efficient and sustainable products. SoleCity is a comprehensive line of high efficiency, outdoor LED lighting solutions with a complementary line of modern furniture. The SoleCity Collection will help create a city's identity and develop city pride with a wide range of products designed with a distinguished, modern, sleek and flawless signature style. With SoleCity, you also have the added benefit of customizing products for a true, one-of-a-kind look. The LED Light Column and LED Bollard can be customized by choosing amongst a variety of decorative finishes.

Benefits

- Ensures maximum reliability and safety
- Lower degradation of light output over product lifespan
- Component lifetime up to 100,000 hours
- Construction protects light source and electrical components from degradation caused by environmental pollutants
- Uniform light distribution with better light trespass control

Features

- High-performance white LEDs
- Placement of driver and electrical components away from the LEDs
- IP66-rated
- Dedicated LED optics

SoleCity Bollard LED ULB100
