# **PHILIPS** Lighting

## Designed for the illumination, electrical shielding and infection control requirements of the surgical suite

### SurgiCare Recessed Sealed 2x2

The SSTR Series is designed for the illumination, electrical shielding and infection control requirements of the surgical suite. The asymmetric/symmetric light distribution provides the ambient illumination while contributing supplemental illumination for the surgical field. SSTR luminaires are available in a variety of lamping options. The housing is fully sealed to minimize potential room contamination and simplify cleaning. Meets MIL-STD 461F, wet location listed and is IP65 rated.

#### Benefits

· Continuous hinged door allows simplified installation and servicing

#### Features

- Meets MIL-STD 461F, Wet location, and is IP65 rated
- Seamless door frame

#### Application

Hospitals and Care Centers

SurgiCare Recessed Sealed 2x2
