

Timeless urban elegance

Swan LED pendant (CXF4)

The Hadco Swan pendant family offers a simple modern take on the traditional pendant lantern, providing style and elegance to downtown areas, commercial developments, parks and residential communities. These pendants use the latest LED technology which maximizes energy savings and provides uniform and comfortable light. The Swan is a great solution for new installations or replacing a variety of HID sources.

Benefits

- Offers a variety of optical distributions suitable for several applications
- Ensures lasting durability and reliability
