

Transit - versatility in action

Transit Pendant (TR20)

Combining state-of-the-art photometric performance with outstanding ease-of-maintenance the decorative Transit luminaires are designed to last in even the most demanding environments. The versatility and character of the Transit luminaire is clear. Combining stunning good looks with outstanding photometric performance, the Transit incorporates the cutting edge photometrics and ease of maintenance that have made Lumec luminaires the perfect choice for effective area lighting. Equipped with the optional LifeLED the Transit's standard dark-sky friendly full cut-off optics turn this versatile product into one of the most environmentally responsible luminaires available on the market. ~LT~a href="http://www.lumec.com/Lumec3Dv3/home/index_en.php" target="_blank"~GT~~LT~b~GT~Lumec3D: Online 3D Configurator~LT~/b~GT~~LT~/a~GT~
