PHILIPS Lighting

UW1250 - the ideal solution for ponds and fountains

UW1250 Underwater Light

The Hadco Underwater luminaires include the UW1250 and UWL1075 fixtures that offer cast bronze construction with a pivoting base. Available in low and line voltage, these luminaires have a natural cast brass finish that will age nicely over time. Optics include a clear convex, tempered glass furnished with silicone O-ring for watertight seal.
