

TriLyte - Reliability and high efficiency

TriLyte

TriLyte offers the cost-effective benefits of fluorescent lamps, including quality lighting, superior energy efficiency and occupancy sensing capabilities. Unlike most luminaires in its category, TriLyte also features a streamlined aesthetic design that makes a difference when appearance is important.

Benefits

- LampMaximizer optimizes lamp life and energy costs while reducing maintenance costs
- Provides clean, smooth, installation-friendly corners

Features

- One-piece post-painted housing
- Rated for ballast case temperature up to 90°C

Application

- Office
- Banks
- Hospitality
- Manufacturing
- Arena and Sports
