

Creativity and continuity can coexist

PureForm LED bollard PBL

Gardco PureForm bollard LED integrates a sleek, low profile design, extraordinary light output, and energy savings into an innovative pedestrian scale luminaire. PureForm bollard features a high performance optical system designed to achieve wide spacings and full cutoff performance. Three heights available for a customized look. IP66 optics, and IP65 housing ensure dust or moisture will never interfere with performance.

Benefits

- Sleek, low profile design blends in with architecture.
- Seamless integration with the latest controls solutions makes management easy, further enhancing value.

Features

- 36", 42" and 60" Heights available
- Type 3 and Type 5 optical distributions
- IP66 rated optics, IP65 rated housing ensures durability
- A full range of control options provide additional energy savings

Application

- Education
- Landscape
- Municipal Buildings
- Parks and Plazas
- Walkways
