

Creativity and continuity can coexist

PureForm LED wall sconce PWS

Gardco PureForm wall sconce LED with precision optics offers a sleek, low profile design that will complement a range of architectural styles. PureForm wall sconce provides up to 21800 lumens to accommodate multiple mounting heights up to 20', and is available with Type 2, 3, 4, as well as our back light control optics. A full range of control options are available for additional energy savings. Optional emergency battery backup option available for path-of-egress, and is integral to the luminaire.

Benefits

- Sleek, low profile design blends in with architecture.
- Both comfort optics and precision optics available, suitable for a range of mounting heights and lumen output.
- Seamless integration with the latest controls solutions makes management easy, further enhancing value.

Features

- Precision optics with multiple distribution options
- Type 2, 3, 4 and Backlight Control optical distributions
- Optional integral emergency battery backup available
- A full range of control options provide additional energy savings
