

LytePro - the smart combination of style, performance and energy savings

LytePro 16 LED Wall Sconce

The architecturally styled LytePro 16 LED Wall Sconce is a compact LED luminaire designed for exterior wall mounting in commercial and residential applications. It is ideal for general-purpose illumination along perimeters, entrances and garages for safety and security installations as well as accent lighting around buildings. LytePro 16 utilizes only 40 watts, and achieves up to 96 LPW to provide an efficient alternative to traditional light sources.

Benefits

- Excellent photometric performance
- Easy mounting
- Significant energy savings
- 100,000 hour lifetime
- Excellent uniformity

Features

- Title 24 compliant
- Suitable for use in extreme temperatures
- Zero uplight optics

Application

- Security Lighting
- Residential
- Bridges, Monuments, Facades
