

Never goes unnoticed

Mayotte Brackets

The wingspan offered by the Mayotte bracket allows it to be used to enlighten wide suburban roads. Its upper sheet metal accentuates the geometry of the bracket and strengthens its presence in the landscape.

Benefits

- Compatible with our Accante and Aloa ranges of conical poles
- Compatible with all Philips standard and advanced public lighting systems

Features

- Available in single arm, double arm, pole-mounting and wall-mounting versions
- Length range: 1100 or 1400mm
- Luminaire fixing: side-entry

Application

- Roads and streets
- Commercial districts
