

# Through thick and thin

## Mediane Brackets

The Mediane bracket simply combines a thick metal sheet and a more thin one underlining it to bring slight elaboration to an ensemble without it being too bulky.

### Benefits

- Compatible with our Accante range of conical poles
- Compatible with all Philips standard and advanced public lighting systems

### Features

- Available in single arm, double arm and wall-mounting versions
- Length range: 750mm
- Luminaire fixing: post-top

### Application

- Villages, living areas
- Parks and squares
