

More than a commodity

KR Brackets

The KR bracket is one of the simplest yet most efficient thanks to three important lengths that allow the enlightenment of very broad roads.

Benefits

- Compatible with our Accante range of conical poles

Features

- Available in single arm, double arm, pole-mounting and wall-mounting versions
- Length range: 1000, 1500 or 2000mm
- Luminaire fixing: side-entry

Application

- Roads and streets
- City centers, commercial districts
