

Miniature aesthetic with baffle design

Mini Downlight LED

The small detachable junction box eliminates the need for a traditional frame or bulky remodeler kit, making installation quick and easy.

Benefits

- Quick and easy to install compared to installing a traditional accent downlight or remodeler kit
- Perfect product if ceiling space is an issue
- Same finish as the Flat downlight

Features

- Detachable junction box & spring clips make installation quick and easy
- Product meets NEC (National Electric Code) via remodel NEC clip
- Optional 6' or 20' extension cable allow flexibility with placement of junction box
- Perfect product if ceiling space is an issue

Application

- Residential
- Light Commercial:
- Hospitality
